Issue No : 01  
Pages : 1 of 1

We, Shell Oman Marketing Company SAOG (SOM), in our lubricating oil blending plant, are involved in blending, packaging, storage and distribution of lubricating oil to our customers in the Sultanate of Oman and other export markets. We take pride and honor in declaring the company's commitment to satisfy our customers by providing high quality products in line with BS EN ISO 14001: 2015 Standard.

At SOM our business objective is to maintain and continually improve our Environmental Management System (EMS) in order to protect the environment. We are conscious of our responsibility towards creating, maintaining and ensuring a safe and clean environment for sustainable development in our area of operations.

At SOM, we shall provide all necessary resources and training for our employees to implement and maintain the company's environmental objectives.

Shell Oman marketing Company SAOG is committed to

- ✓ Protect the environment, including prevention of pollution, climate change mitigation and adaptation, safeguard of biodiversity and ecosystems.
- ✓ Continually monitor and improve our EMS through systematic identification of the root causes behind the non-conformities and subsequent elimination.
- ✓ Proactively consider environmental aspects and life cycle perspective in our processes.
- ✓ Understand and fulfill the applicable compliance obligations in all our operations.
- ✓ Enhance the environmental performance by waste reduction, reuse and recycle where possible.
- ✓ Periodically review EMS policy and ensure its continued suitability.
- ✓ Communicate this policy to all employees, customers, external providers and interested parties.
